The logo for 'The Big Help Out' is displayed in a large, stylized font. 'THE' is in green, 'BIG' is in orange, 'HELP' is in blue, and 'OUT' is in orange. The text is set against a white background within a large green circular frame.

We would love to support you in utilising this time to promote your organisation, any projects and getting more volunteers on board!

We can really highlight all the amazing community work happening across Wandsworth, using the high profile social media and comms around the build up to the King's Coronation and for many weeks after
